

# 2025-2027 Strategic Plan

Grow the capacity of the Library to be an active centre of the community by focusing on engagement with diverse audiences and by communicating the importance, value, services, and welcome offered by the Library.

Library  
Capacity

Salt Spring Island  
Public Library

Build financial resource streams that will ensure the continued success of the Library.

Financial  
Sustainability

Evolve the Library's STEAM community offerings, fostering information literacy, building skills, and advancing emerging technologies through education and entertainment.

STEAM

Promote diversity, equity, inclusion, truth and reconciliation, and physical/social accessibility.

Social  
Responsibility

Prepare the community for the impacts of climate change by providing learning resources and programs.
